

VOGEL FAMILY VINEYARDS

REFLECTION VALLEY • CHEROKEE COUNTY

2009 CABERNET SAUVIGNON

THE WINERY

The Vogel Family Vineyard Winery was established in 2004 in Cherokee County, Kansas to celebrate wine, food and adventure. Our winery is a place where guests can enjoy new wine experiences, have fun with friends and family, be entertained and savor life's simple pleasures.

THE WINE

A powerfully complex wine with a classic flavor profile and youthful maturity. Our 2009 Cabernet Sauvignon displays highly concentrated fruit flavors as well as a sophisticated character marked by intense aromatics of blackberry, cocoa and mint.

Richly textured with medium-firm tannins, enjoy flavors of plum, berries and currants embellished with notes of espresso and spicy oak.

THE LABEL

The artwork of world-renowned-artist Alexei Butirskiy graces the labels of each bottle from our Reflection Series of wine. Alexei Butirskiy's ability to combine architecture, color and format is a refined skill normally reserved for artists much his senior. As a result, he ranks among Russia's top emerging artists. His work has been successfully exhibited in galleries and private collections through France, England, Austria, Germany, Switzerland, Russia and the United States.

Butirskiy's limited editions are published exclusively by Thomas Charles Editions. For more information please visit thomascharleseditions.com.
