## THE WINERY

The Vogel Family Vineyard Winery was established in 2004 in Cherokee County, Kansas to celebrate wine, food and adventure. Our winery is a place where guests can enjoy new wine experiences, have fun with friends and family, be entertained and savor life's simple pleasures.

## THE WINE

The fruit for our Chardonnay is harvested in the early morning hours, whole-cluster pressed, and largely fermented in oak to achieve richness and bring out notes of vanilla and spice with a touch of vibrant acidity, which helps create a beautiful balance.

Our 2009 vintage is rich and flamboyant with lush, fruity flavors of pineapple, lime, apples and melons draped in vanilla crème brûlée and sweet, aromatic spices.
