

VOGEL FAMILY VINEYARDS

REFLECTION VALLEY • CHEROKEE COUNTY

2009 LEGATO

THE WINERY

The Vogel Family Vineyard Winery was established in 2004 in Cherokee County, Kansas to celebrate wine, food and adventure. Our winery is a place where guests can enjoy new wine experiences, have fun with friends and family, be entertained and savor life's simple pleasures.

THE WINE

The Riesling grapes used to create our Legato are grown in Cherokee County, where the cool evening temperatures of the Reflection Valley help the fruit retain an ideal measure of crisp, natural acidity for balance.

With each glass, you'll enjoy the beautiful aromas of amaretto and ginger, a crisp, refreshing edge of green apples and minerals, and lush, juicy flavors of pineapple, peaches and lime. It's the perfect accompaniment to spicy dishes, smoked meats, strong cheeses and Asian cuisine.

THE LABEL

The artwork of world-renowned-artist Alexei Butirskiy graces the labels of each bottle from our Reflection Series of wine. Alexei Butirskiy's ability to combine architecture, color and format is a refined skill normally reserved for artists much his senior. As a result, he ranks among Russia's top emerging artists. His work has been successfully exhibited in galleries and private collections through France, England, Austria, Germany, Switzerland, Russia and the United States.

Butirskiy's limited editions are published exclusively by Thomas Charles Editions. For more information please visit thomascharleseditions.com.
