

# VOGEL FAMILY VINEYARDS

REFLECTION VALLEY • CHEROKEE COUNTY

2009 RIESLING

## THE WINERY

The Vogel Family Vineyard Winery was established in 2004 in Cherokee County, Kansas to celebrate wine, food and adventure. Our winery is a place where guests can enjoy new wine experiences, have fun with friends and family, be entertained and savor life's simple pleasures.

## THE WINE

Composed of 100% Riesling grapes grown in the cool climate of Cherokee County, the wine achieves an off-dry level of sweetness. This wine offers beautiful aromas of tropical fruit and ginger, a crisp, refreshing edge of green apples and minerals, and lush, juicy flavors of pineapple, peaches and lime.

A succulent white wine with just a touch sweetness.

Perfect accompaniment to spicy dishes, strong cheeses and Asian cuisine.

## THE LABEL

The artwork of world-renowned-artist Alexei Butirskiy graces the labels of each bottle from our Reflection Series of wine. Alexei Butirskiy's ability to combine architecture, color and format is a refined skill normally reserved for artists much his senior. As a result, he ranks among Russia's top emerging artists. His work has been successfully exhibited in galleries and private collections through France, England, Austria, Germany, Switzerland, Russia and the United States.
